

Poster Presentation Guidelines

A scientific poster is a large document that can communicate your research at a scientific meeting, and is composed of a short title, an introduction to your burning question, an overview of your experimental approach, your amazing results, some insightful discussion of aforementioned results, a listing of previously published articles that are important to your research, and some brief acknowledgement of the tremendous assistance and financial support received.

Registration details

All poster presenters are required to register for the conference. Presenters will need to register at the conference registration desk when they first arrive to collect their name badge, satchel, velcro and details of poster exhibition.

Location

Poster boards will be located on Level 1, Mezzanine Foyer. A poster number for identification purposes will be provided to you prior to the conference. Please ensure that your poster is displayed on the correct poster board.

Poster presentation time

Posters will be displayed on poster boards for the duration of the conference. An interactive poster review session is scheduled and will be confirmed when the program is finalised. At this time presenting authors are required to be near their poster site to answer questions from the delegates.

Poster setup / pack down times

In order to set-up your poster, it will be necessary to collect your name badge first – this is in order to gain access to the conference area.

Set-up of posters Thursday 5 April 2018, prior to 10am

Removal of posters Saturday 7 April, after lunch

Preparation of posters

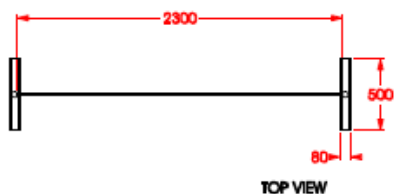

The poster should be a visual presentation of your submitted paper. What sections to include – Title, Introduction, Materials and Methods, Results, Conclusions, Literature cited, Acknowledgments and Further information: There will be people, who might want to know more about your research, be sure to include your contact details including name, address, telephone number and an e-mail address.

Poster size: Horizontal poster boards are 2300 wide x 0.950m high. PLEASE ENSURE THAT YOUR POSTER DOES NOT EXCEED THESE DIMENSIONS...

Poster prize

A poster prize will be awarded to a poster which combines a high scientific standard with effective communication through the selection of graphics, careful composition and overall impact of the poster.

Please note that Velcro will be provided to attach your poster to the board – the use of pins to secure posters is not effective as the poster boards are covered in a felt material.
